## **EXTEND YOUR WEEKEND – FREE ENTRY ON MONDAYS**

Free entry on three Mondays each year at C/O Berlin

C/O Berlin is delighted to be one of twenty cultural organizations selected for the Berliner Sparkasse's five-year „Mehr Kultur“ program.

„C/O Berlin presents about seven temporary exhibitions in three slots each year. From 2024, Berliner Sparkasse will make it possible to open the doors of the Amerika Haus free of charge on one Monday per slot, enabling all Berliners and those interested to visit our exhibitions. As a private, charitable foundation, we are delighted to receive this valuable support, which allows us to share our cultural offerings with a broader audience.“

– Stephan Erfurt, CEO, C/O Berlin Foundation

„With our new grants, we seek to enhance our city's cultural and social diversity. We are especially pleased to make it possible for people to visit C/O Berlin on free Mondays who would otherwise not be able to do so.“

– Kai Uwe Peter, Berliner Sparkasse
